

**DECLARATION IN COPENDING APPLICATION
CONTAINING ADDITIONAL SUBJECT MATTER**

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name; that I verily believe I am the original, first and joint inventor of the invention entitled **ROTATING LAUNDRY STORAGE** described and claimed in the attached specification: that this application in part discloses and claims subject matter disclosed in my earlier filed pending Application,

Serial No. 60/414,072, Filed September 27, 2002; I have reviewed and understand the contents of the above identified specification, that I acknowledge my duty to disclose information of which I am aware which is material to the examination of this application as defined in 37 C.F.R. 1.56 and that all statements made are of my own knowledge are true and that all statements made on information and belief are believed to be true and that I was warned that willful false statements and the like are punishable by fine or imprisonment, or both (18 U.S.C. 1001) and may jeopardize the validity of the application or any patent issuing thereon;

that as to the subject matter of this application which is common to said earlier application, I do not know and do not believe that the same was ever known or used in the United States of America before my invention thereof or patented or described in any printed publicaiton in any country before my invention thereof, or more than one year prior to said earlier application, or in public use or on sale in the United States of America more than one year prior to said earlier application; that the common matter has not been patented or made the subject of an inventor's certificate issued before the date of said earlier application in any country foreign to the United States of America on any application filed by me or my legal representatives or assigns more than twelve months prior to said earlier application; and

as to applications for patents or inventor's certificate on the common subject matter filed in any country foreign to the United States of America, prior to said earlier application by me or my legal representatives or assigns, no such applications have been filed, or as to the subject matter of this application which is not common to said earlier application, I do not know and do not believe that the invention was ever known or used in the United States of America before my invention thereof;

I acknowledge the duty to disclose material information as defined in 37 C.F.R. 1.56(a) which occurred between the filing date of the prior application and the National or PCT International filing date of the Continuation-In-Part application;

I do not know and do not believe that the invention was ever patented or described in any printed publication in any country before my invention thereof or more than one year prior to this application;

I do not know and do not believe that the invention was in public use or on sale in the United States of America more than one year prior to this application;

that said non-common subject matter has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve months prior to this application; and

as to applications for patents or inventor's certificate on the invention filed in any country foreign to the United States of America prior to this application by me or my legal representatives or assigns, no such applications have been filed.

POWER OF ATTORNEY: As named inventor, I hereby appoint Frank A. Lukasik, 1250 West Marion Avenue, Apartment #142,
